

REMARKS

In response to the Notification of Defective Response, dated July 7, 2008, Applicants have amended the instant specification to replace the defective sequence listing text file with a new version of the sequence listing text file, 690121_409USPCa_SEQUENCE_LISTING.txt. In addition, the specification has been amended to correct the STATEMENT REGARDING SEQUENCE LISTING correspond with the new sequence listing text file. Applicants respectfully submit that the above-identified application is now in compliance with 37 C.F.R. §§ 1.821-1.825 and WIPO Standard 25.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC

/William T. Christiansen/
